| Series features   | viii       |  |  |
| Using Pearson Mathematics   | x          |  |  |
| <b>Chapter 1 Whole numbers</b>  | <b>2</b>   |  |  |
| Recall 1  | 4          |  |  |
| Exploration Task: The root of the problem                               | 4          |  |  |
| 1.1 Mental strategies   | 5          |  |  |
| Game: Greed   | 10         |  |  |
| 1.2 Indices   | 11         |  |  |
| Problem solving: Teacher's age  | 18         |  |  |
| Investigation: How many squares on a chessboard?                        | 19         |  |  |
| Maths 4 Real: Numbers around the world                                  | 20         |  |  |
| 1.3 More strategies for multiplication and division                     | 22         |  |  |
| Problem solving: Wizard maths   | 28         |  |  |
| Half-time 1   | 29         |  |  |
| 1.4 Estimating and rounding   | 30         |  |  |
| Game: Estimation frustration  | 37         |  |  |
| 1.5 Order of operations   | 38         |  |  |
| Problem solving: Four 4s = 100?   | 42         |  |  |
| 1.6 Mixed whole number problems   | 43         |  |  |
| Problem solving: Nine hundred and ninety-nine                           | 46         |  |  |
| Challenge 1   | 47         |  |  |
| Gamespace: The operation theatre  | 48         |  |  |
| Chapter review 1  | 50         |  |  |
| Numeracy practice 1   | 53         |  |  |
| <b>Chapter 2 Integers</b>   | <b>54</b>  |  |  |
| Recall 2  | 56         |  |  |
| Exploration Task: Is adding always more?<br>Is subtracting always less? | 56         |  |  |
| 2.1 Multiples, factors and divisibility                                 | 57         |  |  |
| 2.2 Primes and composites   | 65         |  |  |
| Puzzle: Gold digger   | 67         |  |  |
| Gamespace: Factorpillar   | 68         |  |  |
| 2.3 Prime factors   | 70         |  |  |
| Maths 4 Real: Prime numbers and encryption                              | 74         |  |  |
| 2.4 Introduction to integers  | 76         |  |  |
| Puzzle: Temperature tangle  | 82         |  |  |
| Half-time 2   | 83         |  |  |
| 2.5 Adding and subtracting positive integers                            | 84         |  |  |
| Problem solving: The slippery snail                                     | 88         |  |  |
| 2.6 Adding and subtracting negative integers                            | 89         |  |  |
| Investigation: Heat beads and ice blocks                                | 94         |  |  |
| 2.7 Simplifying addition and subtraction                                | 96         |  |  |
| Puzzle: Pattern sums  | 100        |  |  |
| Challenge 2   | 101        |  |  |
| Chapter review 2  | 102        |  |  |
| Numeracy practice 2   | 105        |  |  |
| Mixed review A  | 106        |  |  |
| <b>Chapter 3 Fractions</b>  | <b>108</b> |  |  |
| Recall 3  | 110        |  |  |
| Exploration Task: Sharing again and again ...<br>makes more?            | 110        |  |  |
| 3.1 Understanding fractions   | 111        |  |  |
| Puzzle: Fractionally funny fiction                                      | 119        |  |  |
| 3.2 Working with fractions  | 120        |  |  |
| Puzzle: What fractions are we?  | 128        |  |  |
| 3.3 Estimating and comparing fractions                                  | 129        |  |  |
| Game: Flatlining  | 137        |  |  |
| 3.4 Adding and subtracting fractions                                    | 138        |  |  |
| Game: Race to 10  | 146        |  |  |
| Half-time 3   | 147        |  |  |
| Maths 4 Real: Musical fractions   | 148        |  |  |
| Investigation: Tangram teaser   | 150        |  |  |
| 3.5 Multiplying fractions   | 152        |  |  |
| Game: Fringo!   | 158        |  |  |
| Problem solving: Fill in the blanks                                     | 158        |  |  |
| 3.6 Dividing fractions  | 159        |  |  |
| 3.7 Mixed fraction problems   | 166        |  |  |
| Problem solving: Mega-equivalents                                       | 168        |  |  |

|   |            |
|---|------------|
| Challenge 3   | 169        |
| Gamespace: Fractured ravine                           | 170        |
| Chapter review 3                                      | 172        |
| Numeracy practice 3                                   | 175        |
| Exploration STEM: The secret message                  | 176        |
| Exploration STEM: Electric fonts                      | 176        |
| Exploration STEM: The best buys                       | 177        |
| Exploration Coding: Adding consecutive numbers        | 177        |
| <b>Chapter 4 Decimals,<br/>percentage and ratio</b>   | <b>178</b> |
| Recall 4  | 180        |
| Exploration Task: Which deal is best?                 | 180        |
| 4.1 Place value and comparing decimals                | 181        |
| Game: Duelling decimals                               | 190        |
| 4.2 Rounding decimals                                 | 191        |
| 4.3 Decimals and fractions                            | 196        |
| Puzzle: What are the neighbours having<br>for dinner? | 200        |
| 4.4 Decimal addition and subtraction                  | 201        |
| Game: Closer than you                                 | 204        |
| Game: Decimal zilch                                   | 204        |
| Investigation: Ten dollars and eighty-nine cents      | 205        |
| 4.5 Decimal multiplication                            | 206        |
| Game: Multiplicity                                    | 214        |
| Half-time 4   | 215        |
| 4.6 Decimal division                                  | 216        |
| Puzzle: Magic square                                  | 221        |
| Maths 4 Real: Perplexing prices                       | 222        |
| 4.7 Percentages, fractions and decimals               | 224        |
| 4.8 Using percentages                                 | 230        |
| Problem solving: The great half-price sale            | 235        |
| Maths 4 Real: Our global village                      | 236        |
| 4.9 Ratio   | 238        |
| 4.10 Rates  | 245        |
| Problem solving: Numbeerrrrrrrrs                      | 250        |
| Challenge 4   | 251        |
| Chapter review 4                                      | 252        |
| Numeracy practice 4                                   | 255        |
| Mixed review B  | 256        |

|  |            |
|--|------------|
| <b>Chapter 5 Algebra</b>                                     | <b>258</b> |
| Recall 5   | 260        |
| Exploration Task: Areas of rectangles                        | 260        |
| 5.1 Pronumerals and variables                                | 261        |
| 5.2 Terms, expressions and equations                         | 266        |
| Problem solving: We all want ice-cream!                      | 270        |
| 5.3 Using rules  | 271        |
| Problem solving: Cutting string                              | 277        |
| 5.4 Formulas and substitution                                | 278        |
| Game: Dicey formulas   | 283        |
| 5.5 Patterns and rules                                       | 284        |
| Puzzle: Puzzling tables                                      | 290        |
| Half-time 5  | 291        |
| Investigation: Richie's Restaurant                           | 292        |
| 5.6 Simplifying expressions with addition<br>and subtraction | 294        |
| Puzzle: Latin squares  | 299        |
| Exploration Spreadsheet: Age matters                         | 300        |
| 5.7 The Cartesian plane                                      | 302        |
| Game: Line up  | 307        |
| Maths 4 Real: Maths meets art                                | 308        |
| 5.8 Patterns and plotting points                             | 310        |
| Puzzle: Gridlock   | 313        |
| Gamespace: Spy vs spy  | 314        |
| 5.9 Interpreting graphs                                      | 316        |
| Puzzle: Solve the grid                                       | 322        |
| Challenge 5  | 323        |
| Chapter review 5   | 324        |

## Chapter 6 Measurement 330

|   |     |
|---|-----|
| Recall 6  | 332 |
| Exploration Task: What size?                    | 332 |
| 6.1 Units of length                             | 333 |
| 6.2 Perimeter                                   | 340 |
| Problem solving: Ram's rulers                   | 343 |
| 6.3 Area  | 344 |
| Game: Jungle pathways                           | 351 |
| Investigation: Paddocks                         | 352 |
| Half-time 6                                     | 354 |
| 6.4 Area of a parallelogram                     | 355 |
| 6.5 Area of triangles and composite shapes      | 359 |
| 6.6 Volume                                      | 367 |
| Problem solving: The red cube                   | 371 |
| Gamespace: City mission                         | 372 |
| Maths 4 Real: Landscape gardening               | 374 |
| Investigation: Blocks of chocolate              | 376 |
| Challenge 6                                     | 378 |
| Chapter review 6                                | 379 |
| Numeracy practice 6                             | 382 |
| Mixed review C                                  | 383 |
| Exploration STEM: The grand architect           | 385 |
| Exploration STEM: Survey and discovery          | 385 |
| Exploration Coding: Creating geometric patterns | 385 |

## Chapter 7 Linear equations 386

|   |     |
|---|-----|
| Recall 7  | 388 |
| Exploration Task: Comparing mobile phone plans—<br>which is better? | 388 |
| 7.1 Number sentences  | 389 |
| Game: Star quest  | 393 |
| 7.2 Introduction to equations                                       | 394 |
| Puzzle: The great number mystery                                    | 398 |
| 7.3 Solving equations using backtracking                            | 399 |
| Puzzle: Gold digger returns!  | 406 |
| Half-time 7   | 407 |
| 7.4 Solving equations using the<br>balance method                   | 408 |
| Problem solving: Paper mountain                                     | 413 |

|   |     |
|---|-----|
| Maths 4 Real: Dance party dilemma                       | 414 |
| Exploration Spreadsheet: Algebra using<br>a spreadsheet | 416 |
| 7.5 Solving problems with equations                     | 418 |
| Problem solving: Algebraic puzzles                      | 422 |
| Investigation: The great escape                         | 423 |
| Gamespace: The case of the confusing clues              | 424 |
| Challenge 7   | 426 |
| Chapter review 7  | 427 |
| Numeracy practice 7                                     | 429 |

## Chapter 8 Angles and shapes 430

|  |     |
|--|-----|
| Recall 8   | 432 |
| Exploration Task: Are you sure they are parallel?          | 432 |
| 8.1 Measuring, estimating and drawing angles               | 433 |
| Game: Angle Master   | 439 |
| 8.2 Classifying and naming angles                          | 440 |
| Problem solving: Count the angles                          | 445 |
| Maths 4 Real: Constructing angles                          | 446 |
| 8.3 Calculating angles                                     | 448 |
| Problem solving: Ella's angles                             | 452 |
| 8.4 Angles and transversals                                | 453 |
| Exploration CAS: Investigating angles<br>on parallel lines | 458 |
| Investigation: Billiard ball bounces                       | 462 |
| Half-time 8  | 464 |
| 8.5 Polygons   | 465 |
| Problem solving: The hex is gone                           | 468 |
| 8.6 Triangles  | 469 |
| Puzzle: Eggs, spoons and turtles                           | 477 |
| Investigation: Angle sum of polygons                       | 478 |
| 8.7 Quadrilaterals   | 480 |
| Problem solving: Quadrilateral quandaries                  | 485 |
| Gamespace: Planet polygon                                  | 486 |
| 8.8 Compass constructions                                  | 488 |
| Challenge 8  | 492 |
| Chapter review 8   | 493 |
| Numeracy practice 8  | 497 |
| Mixed review D   | 498 |

## Chapter 9 Statistics and probability 500

|  |     |
|--|-----|
| Recall 9   | 502 |
| Exploration Task: Improving the odds                         | 502 |
| <b>9.1</b> Collecting data                                   | 503 |
| Puzzle: Matchstick puzzles                                   | 510 |
| <b>9.2</b> Measures of centre and spread                     | 511 |
| Problem solving: Running the race                            | 515 |
| Gamespace: Crack the code                                    | 516 |
| <b>9.3</b> Graphing univariate data                          | 518 |
| Puzzle: Number puzzles                                       | 528 |
| <b>9.4</b> Comparing parts of a whole with graphs            | 529 |
| Problem solving: Missing pieces of the pie                   | 537 |
| Half-time 9  | 538 |
| Exploration Spreadsheet: Finding statistics using technology | 539 |
| <b>9.5</b> Graphing bivariate data                           | 540 |
| Problem solving: Add it up                                   | 547 |
| Maths 4 Real: The 1-watt initiative                          | 548 |
| <b>9.6</b> Comparing data sets                               | 550 |
| Puzzle: Number puzzles                                       | 559 |

## Chapter 10 Transformation and visualisation 576

|  |     |
|--|-----|
| Recall 10  | 578 |
| Exploration Task: Shape shifting   | 578 |
| <b>10.1</b> Translations   | 579 |
| Puzzle: Jigsaw paradox   | 584 |
| <b>10.2</b> Reflections  | 585 |
| Problem solving: Mirror, mirror, on the wall, does it matter where I stand at all? | 591 |
| <b>10.3</b> Rotations  | 592 |
| Problem solving: Tangram magic   | 600 |
| Investigation: Diamonds are forever!   | 601 |
| <b>10.4</b> Combined transformations   | 603 |
| Game: Conway's soldiers  | 610 |
| Half-time 10   | 611 |
| Exploration CAS: Transformations with CAS  | 612 |
| Maths 4 Real: Snow logo  | 616 |
| Gamespace: Ambigrams and symmetry  | 618 |
| <b>10.5</b> Symmetry   | 620 |
| Problem solving: Symmetry challenge  | 626 |
| <b>10.6</b> Drawing and visualising 3D shapes                                      | 627 |
| Problem solving: What comes next?  | 631 |
| <b>10.7</b> Plan views and elevations  | 632 |
| Problem solving: Bird's eye squares  | 636 |
| Challenge 10   | 637 |
| Chapter review 10  | 638 |
| Numeracy practice 10   | 642 |
| Mixed review E   | 644 |
| Answers  | 646 |
| Glossary and index   | 727 |
