Introduction

Welcome to the *Pearson Mathematics 9 Homework Program*.

These homework program worksheets cover systematic and cumulative basic skills revision and lesson material from the *Pearson Mathematics 9 Student Book*.

The features of the program:

- designed to be used with the *Pearson Mathematics 9 Student Book*
- includes 30 double-sided worksheets, covering the entire year
- each worksheet includes a Skills side, which covers basic maths skills, as well as a Practice side, which covers material from the Student Book
- designed for easy correction as a whole class or individually
- results pages are included so students can track their own development.

Full answers for every question are available to teachers from the *Pearson Mathematics 9 eBook* or the Pearson Places website.
