Athletes, can I please have your attention!

Welcome to the first day of Sports Camp! This is the day when you can learn a sport you haven't played before. It's great that you're on time and ready to start.

But we have a small problem. Our coaches are stuck in traffic and are going to be delayed.

We're lucky! Some of your parents have offered to help until our coaches arrive. You can still learn new skills and have lots of fun.

*I'm glad to help, but I hope the coaches show up soon!*

Our parents?

I'm glad our parents are helping, but I hope the coaches show up soon!
